## RES HOME CARE WELCOMES 2025!

As we step into 2025 with open arms, RES Home Care extends heartfelt gratitude to our dedicated employees, valued clients, and unwavering supporters. We wish everyone a joyful New Year and eagerly anticipate a year filled with celebration and enhanced services as we proudly commemorate our 25th anniversary of serving the wonderful communities of Nassau and Suffolk counties.

## CELEBRATING 25 YEARS OF SERVICE

For 25 years, RES Home Care has supported the Nassau and Suffolk communities, helping improve the quality of life for those we serve. We have grown and changed to offer a wide range of services that meet our client's needs. Our services include home care services, community services, and community center day programs, all aimed at empowering individuals to seek the help they need.

We have seen how our support transforms lives. Providing clients with tools and knowledge, we help them lead more independent lives. We stay connected with the community so our clients receive care and feel part of a supportive network that values their dignity and independence. As we celebrate this milestone, we are excited to continue our mission of making a positive difference in the lives of those we serve.

## RES HOME CARE RECEIVES CONGRESSIONAL AWARD

We are delighted to share the exciting news that RES Home Care has been honored with the Congressional Award from Congressman Andrew Garbarino, recognizing our 25 years of dedicated service to the communities of Nassau and Suffolk. This milestone celebrates our longstanding commitment to providing exceptional care and highlights our profound impact on the lives of those we serve. The entire RES Home Care team feels immense pride and accomplishment in receiving this prestigious award, a testament to our unwavering dedication and passion for home care services.

In addition to this remarkable achievement, we are thrilled to announce that our CEO, Dr. Joseph Vollaro, has received the prestigious Lifetime Achievement Award from Islip Councilman James O'Connor and Hempstead Councilwoman Christine Lui. This recognition underscores Dr. Vollaro's invaluable contributions to the home care field and his tireless efforts to elevate the standards of care for our employees and clients. His visionary leadership has transformed RES Home Care into a trusted provider, creating a positive and nurturing environment for our entire team. We celebrate these achievements with gratitude and excitement, looking forward to continuing our mission of delivering compassionate care to our communities for many more years.

Councilman James O'Connor and Councilwoman Christine Lui presented the Women of Distinction Awards to Jodi Repperger (left), President of RES Home Care, and Staci Herbst (right), Senior Vice President.

Jodi Repperger has dedicated 19 years to the company, while Staci Herbst has served for 17 years. Both women have played vital roles in the expansion and development of RES Home Care. CEO Dr. Joseph Vollaro thanked them for their loyalty, dedication, and outstanding contributions to the RES Home Care organization.

### **How does Traumatic Brain Injury Affect Social Behavior?**

Traumatic brain injuries (TBIs) significantly affect an individual's social behavior, altering interactions and relationships. The brain's networks for emotional regulation and social understanding can be disrupted, leading to changes in personality, such as increased irritability, mood swings, and apathy. These emotional shifts can hinder social engagement, as individuals may struggle to interpret cues or respond to others. Cognitive difficulties related to TBIs, such as challenges with attention and memory, can further complicate interactions. People often find it hard to follow conversations or remember critical details, leading to frustration and social isolation. The stigma surrounding brain injuries can strain relationships, as friends and family may not understand the changes taking place. Fortunately, interventions like cognitive-behavioral therapy and social skills training can help individuals with TBIs navigate their social environments more effectively. These therapies enhance communication and understanding by addressing behavior's cognitive and emotional aspects, facilitating reintegration into social circles. Recognizing and addressing the social consequences of TBIs is crucial for improving the quality of life for affected individuals and fostering supportive relationships within their communities. ### RES HOME CARE CLIENT- LISA MANGANARO

*We sincerely thank Lisa Manganaro for trusting RES Home Care for over 21 years. Her journey, which includes Home and Community Support, Independent living Skill Training, Positive Behavioral Intervention and Support, and in-home care services, showcases her resilience. Additionally, it has inspired her peers at the RES Community Center Day Program to affectionately nickname her the "Mayor of RES" due to her unwavering warmth and friendliness towards newcomers. This reminds us of the profound impact we have collectively had in enabling Lisa to thrive independently in her own home.*

**Thank you, Lisa, from the entire team at RES Home Care, for allowing us to be a part of your journey.**
