

## About RES

RES was founded in 2000 by Dr. Joseph Vollaro, a licensed psychologist with a specialty in Clinical Neuropsychology. He is noted for his expertise in TBI (Traumatic Brain Injury) and age-related impairments.

RES is committed to providing a high level of care to those with long-term needs in the community.

## RES

### Home Care, Inc.

RES Home Care is a licensed Home Care agency through New York State providing PCA and HHA services, as well as HCSS (Home and Community Support Services) through the Department of Health's TBI and NHTD Waiver Programs.

## Community Services

### PBIS (Positive Behavioral Intervention Support)

**PBIS services are available to individuals experiencing significant behavioral difficulties that jeopardize their ability to remain in the community.**

### CIC (Community Integration Counseling)

**CIC Services are designed to assist the individual to more effectively manage the emotional difficulties associated with adjusting to and living in the community.**

### ILST (Independent Living Skills Training)

**ILST services are designed to improve and maintain the ability of individuals to live as independently as possible in the community.**

**The services includes skill training in areas such as transportation, problem solving, money management, pre-vocational and other life skills required for successful community living.**

## Service Coordination

**A Service Coordinator assists an individual with developing a service plan designed to help reach personal goals for living and receiving care, and for achieving maximum independence in the home and community.**

**Person-Centered Planning is our Number one priority!**

## Structured Day Program

**Structured Day Program services are individually designed services, provided in our classroom-setting, to improve or maintain the individual's skills and ability to live as independently as possible in the community.**

**Services may include assessment, training and supervision to an individual with self-care, task completion, communication skills, interpersonal skills, problem-solving skills, socialization, sensory/motor skills, mobility, community transportation skills, reduction/elimination of maladaptive behaviors, money management skills, and skills to maintain a household.**

**Come in for a trial day with us!!**
