**RES Home Care is a
reputable licensed agency proudly
serving clients in
Nassau and Suffolk counties.**

We provide personalized, round-the-clock care, including holidays and weekends, tailored to assist clients who choose to live in the community rather than in more restrictive settings.

Our team is comprised of highly vetted, certified HHA and PCA professionals who are passionate about delivering exceptional care to our clients.

Our caregiver matching system is highly effective. We evaluate caregivers' qualifications, expertise, personality traits, and previous experiences. This two-way assessment lays the foundation for a successful match.
